# Inside MGOI

Welcome to the 1<sup>st</sup> edition of the revamped Master Gardeners of Ontario Inc. (MGOI) Newsletter. This Newsletter aims to focus on you, the Master Gardeners, while providing updates, insights and the inside scoop from MGOI Board and Committee members, and Directors. We intend to publish monthly and want to feature member milestones, new group projects, short member profiles, upcoming events such as regional technical updates – anything about the functioning and activities of our groups and their members. Pictures are welcome too. The purpose is to help pull us together – remind us that we are part of a province-wide team of people who love gardens and gardening and want to share the joy and their knowledge!

Contributions to future editions of 'Inside MGOI' may be sent at any time to the Newsletter Editor, Isabel Belanger, [newsletter@mgoi.ca](mailto:newsletter@mgoi.ca).

## MILESTONES

### In Memorium

#### Philip Stuart

Philip Stuart was a founding member of the Mississauga Master Gardeners in 1994. He was an incredibly knowledgeable gardener whose energy and enthusiasm inspired and impressed us all. He remained an active gardener until he lost his mobility in 2014, and even then continued to advise and instruct. Philip passed away on January 3<sup>rd</sup> 2016, following a brief illness, at the age of 98. Had he lived until March he would have served 22 years as a Master Gardener. He will be greatly missed.

February 28<sup>th</sup> - deadline for entering the Pollinator Inn contest. Simply submit your team name and the name of your Inn to Josée at [josee@joseecouture.net](mailto:josee@joseecouture.net)

## A Moment for Membership

*Pam Love, Director of membership, MGOI*

Master Gardener membership is shrinking in many groups. To keep our groups healthy, we all need to pitch in from time to time and help with attracting new members. Some people are shy and others just don't know how to get a membership conversation going.

### 'Lucky Durham group gets to help Pam Love pilot new ideas.'

We gave a shrub talk to the Oshawa Garden Club on Monday that has over 130 members, or should I say potential new Master Gardeners. We came up with a table top "Master Gardener Apply Now" conversation starter sign. The top of the sign let people know we are looking for both passionate gardeners and volunteers, covered how we give back to our community in the middle, how we learn and grow on the right, and the rewards we harvest on the left. We finished it off with a sprinkle of pictures.

*Recruitment Table for New Master Gardeners*

We couldn't get everything we wanted on the sign so we made up a supplementary sheet as a hand out, added our community partners, and included "how to get in touch with us". This sheet and the new member kits were in front of the sign.

We also stood out in front of the table by the sign so we could talk to people and answer any questions they had. In addition, we added two slides at the front of the presentation to give a brief overview of what the Master Gardeners are about, that we are looking for new members, and that we would be back by the sign afterwards to talk to them. We also added a couple of slides to entice these garden enthusiasts to come to our conference in April. Slides and samples of handouts are available on the "Coordinators Corner" tab on the member area of [mgoi.ca](http://mgoi.ca).

You can tell from the picture how much fun I am having talking to a Garden Club member.
